

March 2020

Director's Note:

As March rolls around there are two types of people, those that are not happy with the mild winter we have had and those of us that can't wait for spring! I am not a winter person at all, so to say I am happy about spring is an understatement! In just a few short days we will be setting our clocks forward and that means the Annual Chamber Auction will be going live the following week. Did you know that this might be the last year we as Ohioans have to do the time change? There is legislation in the works to not do Daylight Savings Time. Many other states have done away with this and I believe Ohio might be next. We are so excited for the Annual Chamber Auction this year! Can you believe it has been going on in our community for 39 years? What was once a live event and on local television has had to revolve to today's internet world, but is it still a lot of fun bidding on items and getting a bargain. Read more about it on the following page and be sure to check out the upcoming Coshocton County Beacon for a complete listing of items.

March means our Annual Dinner invitations will be in the mail to all of our members. Don't delay in getting your corporate tables or tickets, because this event has sold out the last several years. We are looking forward to the community awards and the wonderful individuals that have been nominated are exciting. There are still a few days to get your nominations in for Young Leader of the Year sponsored by Central Ohio Technical College and the Employee of the Year sponsored by the Coshocton Rotary Club.

We are looking forward to several upcoming Ribbon Cuttings this month and much more positives coming to Coshocton County.

Get out, volunteer, and make your community a better place!

Happy Spring!
